Aloka Holding Europe, a subsidiary of Hitachi Aloka Medical, was legally integrated into Hitachi Medical Systems Europe Holding Switzerland, a subsidiary of Hitachi Medical Corporation, on 1 December 2011.

The two entities have combined their broad experience and knowledge, synergizing the expertise and talents on both sides to offer their customers an even more attractive range of medical ultrasound solutions and technologies.

Programme

Technology Fusion from Hitachi Aloka

Saturday, March 3, 2012, 12.30–13.30, room F1, entrance level

Chairman and Moderator:
Professor Carlo Faletti, MD
